Licensure Process

Licensure is the process by which an agency or state government or other jurisdiction grants permission to individuals to engage in the practice of a particular profession, vocation, or occupation and prohibits all others from legally practicing that profession. By ensuring a minimum level of competence, the licensure process protects the general public. The state regulatory agency is responsible for establishing the acceptable level of safe practice and for determining whether an individual meets that standard.

The State of California has commissioned the services of Pearson to administer the non-national BBS examinations. Pearson is a leading provider of assessment services to regulatory agencies and national associations.

California Licensing Requirements

The California BBS establishes the requirements for qualifications for licensure. Applicants should read this candidate handbook and any other information provided by the BBS regarding license examinations.

The non-national examinations are developed and maintained by the Office of Professional Examination Services (OPES), a division of the Department of Consumer Affairs. OPES staff are test validation and development specialists who are trained to develop and analyze occupational licensing examinations.

The development process involves Board-licensed practitioners who hold a current license and serve as subject matter experts (SMEs) specific to each license type. SMEs are trained by OPES staff in established examination development processes and measurement methodologies. The cooperative efforts among these members of licensed practitioners, OPES, and the BBS are necessary to achieve both the measurement and content standards for examination development and construction.

Authorization to Test

Before taking an examination, you must first submit an application and the applicable fee to the BBS. Applications can be found online at www.bbs.ca.gov.

The initial law and ethics examination application for those who have been issued a registration in a current, delinquent, or canceled status as well as applications for reexamination are available online at www.breeze.ca.gov. Paper applications are available at www.bbs.ca.gov.

Once the application requirements are met, Pearson will send you an Authorization to Test (ATT) notice that includes the ID number you will need to register for an exam.

All notifications are sent via email. You should review the email associated with your registration/file to ensure that it is correct. If you need to update your email, submit a Change of Address application online at www.breeze.ca.gov.

Abandonment of Licensing Application

An application shall be deemed abandoned under any of the circumstances described in this section. An application submitted after a previous application has been abandoned shall be treated as a new application, requiring the applicant to pay any fees required and to meet current requirements.

- (a) The applicant does not submit information required in order to correct the deficiencies specified in a deficiency letter within one (1) year from the date of the deficiency letter.
- (b) The applicant for licensure, as defined in section 1805.01(a), does not maintain an active licensure application. An applicant maintains an “active licensure application” by participating in a required examination, as defined below, at least once every 365 days.
 - (1) The initial 365–day examination participation period shall begin on the date the applicant was sent a notification approving his or her licensure application.
 - (2) Subsequent 365–day examination participation periods shall begin on the date the applicant most recently participated in a required examination.
 - (3) “Required examination” is defined as an initial attempt or retake of an examination required by section 4980.397, 4989.20, 4992.05, or 4999.53 of the Code.
- (c) The applicant fails to pay the initial license fee within one (1) year after notification by the board of successful completion of examination requirements.

An application submitted after a previous application has been abandoned shall be treated as a new application, requiring the applicant to pay any fees required and to meet current requirements.

Exam Reservations

Schedule an exam appointment online at <https://www.pearsonvue.com/us/en/cabbs.html> or by calling Pearson at (888) 281-0402.

Test Center Locations

Pearson test centers are available throughout the United States and U.S. territories. Visit <https://www.pearsonvue.com/us/en/cabbs.html> to find a local test center.

Making an Exam Reservation

Online reservations (<https://www.pearsonvue.com/us/en/cabbs.html>) are the most efficient way to schedule your exams once you have received your Authorization to Test notice and candidate ID. You must make an online reservation at least 24 hours before the desired examination date. **Walk-in examinations are not available.**

If you wish to make a phone reservation at (888) 281-0402, you must do so at least 24 hours before the desired examination date.

Due to the volume of exams provided by Pearson, it is recommended that you schedule your exam as soon as possible to ensure that you are able to take the exam within the time limits of your authorization. Scheduling four to six weeks ahead of your desired exam date provides the best opportunity for scheduling at your preferred location, date, and time. **If you are unable to take your exam by the expiration date listed on your Authorization to Test notice, you may forfeit your exam fee.**

Before making a reservation, you should have the following:

- Legal name, address, email address, daytime telephone number, and date of birth
- Name of the exam(s)
- Preferred examination date and test center location

Scheduling with Accommodations

If you have been approved for examination accommodations, you must schedule, reschedule, and/or cancel your exam through the Pearson call center at (800) 466-0450, option 3.

Accommodations vary and may take additional time to schedule, so it is recommended that you schedule your exam as soon as possible to ensure that you are able to take the exam within the time limits of your application. Accommodations such as private testing rooms and readers/recorders may be limited by test center availability, so scheduling early provides the best opportunity for scheduling at your preferred location, date, and time. Accommodations for additional exam time are more readily available than other accommodation services, but it is still recommended to schedule early to get your preferred location, date, and time.

Licensure or renewal requirements will not be extended if you are unable to schedule and take your exam within the time limits of your authorization.

Military Site Testing

California BBS licensure exams are available at select Pearson test centers on military installations across the globe. Service members, dependents, and contractors with authorized base access who want to gain California BBS licensure from their duty station or assignment in another state or foreign deployment have the option to take their exams without returning to California to test.

To locate a Pearson-authorized testing center, visit <https://www.pearsonvue.com/us/en/military/test-takers/schedule.html> and select **Find a test center on a military base** under **California Board of Behavioral Sciences (BBS)**.

In addition to Pearson’s standard ID policy (see **What to Bring**), candidates must have valid government ID and authorization to gain access to military testing sites. Civilians without valid government ID will be turned away by the test center and/or military entrance gate security.

Available Exams

The following is a list of the BBS licensing examinations offered by Pearson:

Examination	Number of Scored Questions	Number of Pretest Questions	Time Allotted*
LCSW Law and Ethics Examination	50	25	90 minutes
LPCC Law and Ethics Examination	50	25	90 minutes
LMFT Law and Ethics Examination	50	25	90 minutes
LMFT Clinical Examination	125	25	240 minutes
LEP Examination	100	25	150 minutes

*The time allotted indicated on your approved scheduling notification reflects the total seat time for your exam. This time includes the exam time referenced in the table above as well as the NDA time, instruction time, and survey.

Exam Fees

Exam fees must be paid to the BBS at the time that you submit your application. **Fees will not be accepted at the test center.** Exam fees are non-refundable and non-transferable, except as detailed in the **Change/Cancel Policy**.

Change/Cancel Policy

If you wish to cancel or reschedule your examination without penalty, you must do so **at least 48 hours before the examination**.

Visit <https://www.pearsonvue.com/us/en/cabbs.html> to cancel online or call Pearson at (888) 281-0402 to cancel by phone. If you wish to change or cancel a reservation and have provided proper notice, you may transfer the fees to a new reservation or request a refund. Refunds for credit or debit card payments are processed immediately while refunds for payments made with vouchers are processed within two to three weeks. **If you change or cancel your reservations without proper notice, you are responsible for the exam fee.**

You are individually liable for the full amount of the exam fee once a reservation has been made, whether paid individually or by a third party.

For cancelled examinations that have provided proper notice, you may reschedule up to the approved authorization end date.

When canceling an examination, you must make sure that the request is complete and that you receive a confirmation of cancellation. **If you do not finalize the cancellation request, the change will not be processed, and your absence to the original exam reservation will reflect as a no show result, and your examination fee will be forfeited.**

If you have received a no show result, you will need to submit a reexamination application to continue with the exam. The reexamination application is available for online submission at www.breeze.ca.gov, and the waiting period will be waived as you did not see the examination.

Candidates who have had their supervision/experience approved must take the exam within one year from the initial approval or within one year from a failed exam attempt. See **License Application Abandonment** for more information.

Absence/Lateness Policy

If you are absent from or late to an exam, you may call Pearson within 14 days of the examination date to request an excused absence for the following reasons:

- Illness or illness of your immediate family member
- Death in your immediate family
- Disabling traffic accident
- Court appearance or jury duty
- Military duty
- Weather emergency

A case number will be assigned, and instructions will be provided for you to email supporting documentation. If you are absent from or late to an exam and have not changed or canceled the reservation according to the **Change/Cancel Policy**, you will not be admitted to the exam, your exam result will be a no show, and your exam fee will be forfeited.

If your request for an excused absence is approved by Pearson, you will be allowed to reschedule your exam without submitting a reexamination application; however, **an approved absence does not extend the eligibility end date for candidates who have had their supervision/experience approved.**

Candidates who have had their supervision/experience approved must take the exam within one year from the initial approval or within one year from a failed exam attempt. See **Abandonment of Licensing Application** for more information.

No Show Results

If you do not take the examination as scheduled, it will be reflected as a no show result, and your examination fee will be forfeited.

To continue with your exam, you will need to submit a reexamination application. The reexamination application is available for online submission at www.breeze.ca.gov, and the waiting period will be waived as you did not see the examination.

Candidates who have had their supervision/experience approved must take the exam within one year from the initial approval or within one year from a failed exam attempt. See **Abandonment of Licensing Application** for more information.

Weather Delays and Cancellations

If severe weather or a natural disaster makes the Pearson test center inaccessible or unsafe, the examination may be delayed or canceled. Pearson will notify you and reschedule your exam in the case of severe weather.

Pearson Holiday Schedule

Testing may be unavailable on U.S. federal holidays and, in some cases, holiday weekends.

Accommodations

Pearson complies with the provisions of the Americans with Disabilities Act as amended. The purpose of accommodations is to provide candidates with full access to an exam. Accommodations are not a guarantee of improved performance or exam completion.

Pearson provides reasonable and appropriate accommodations to individuals who demonstrate a need for accommodations. Test accommodations may include things such as:

- Separate testing room
- Extra testing time
- Reader or recorder (for individuals with mobility or vision impairments who cannot read or write on their own)

Test accommodations are individualized and considered on a case-by-case basis. All candidates who are requesting accommodations because of a disability must provide appropriate documentation of their condition and how it is expected to affect their ability to test under standard conditions. This may include:

- Supporting documentation from the professional who diagnosed the condition, including the credentials that qualify the professional to make this diagnosis
- Description of past accommodations that the candidate has received

The steps to follow when requesting test accommodations vary, depending on the test program sponsor. To begin, visit <https://www.pearsonvue.com/accommodations> and select the test program sponsor from the alphabetized list. If you have additional questions concerning test accommodations, you may contact the ADA coordinator at accommodationspearsonvue@pearson.com.

You may apply for accommodations prior to receiving eligibility to take an exam; however, the approved accommodation may not be valid for the entire exam eligibility period. It is recommended that you apply for accommodations when submitting your Initial Law and Ethics Exam application or your Application for Licensure. If the accommodation expires prior to your approved exam eligibility end date, you will need to reapply for the accommodation.

Your accommodation approval period may differ from the examination approval period provided by the BBS. To maintain your licensure or renewal requirements with the BBS, you must take your exam within the time limit indicated in your Authorization to Test notice.

The BBS reviews and approves all English as a Second Language (ESL) accommodation requests. To request an ESL accommodation, the ESL application is available at https://www.bbs.ca.gov/exams/exams_accomodations.html.

All exams with approved accommodations must be scheduled, rescheduled, and/or canceled through the Pearson call center at (800) 466-0450, option 3.

Preparing for an Exam

Helpful Hints

- Double check the physical address of the test center to ensure that you can arrive 30 minutes prior to your exam time.
- Ensure that you have the proper identification for exam admission.

Study Materials

Study materials and practice examinations are not provided. Sample questions and examination content outlines are available at the end of this handbook.

Timed Examination

Following a navigation tutorial, you begin the timed examination. You should read all on-screen instructions carefully before beginning the exam. The exam time starts as soon as you look at the first question, and a digital clock on the screen indicates the time remaining on the exam. When the maximum allowed time is reached, the exam will terminate automatically.

Answering Exam Questions

Your exam score is based on the number of questions answered correctly. Since it is to your advantage to respond to each question, it is recommended to answer questions that are known first and then, if time permits, return to any more difficult questions that may have been left unanswered initially.

Pretest Questions

In addition to the scored questions, many exams also include non-scored, pretest questions. You are asked to answer these questions, but they are not included in the scored examination result. Pretest questions are dispersed throughout the exam and are not identified separately from scored questions. This ensures that you answer pretest questions in the same manner as scored questions and allows the pretest questions to be validated as accurate and appropriate before they are included in future exams.

Exam Day

If you do not present the required items, you will be denied admission to the examination, will be considered a no show, and will forfeit the exam fee.

California Law Security Procedures

Section 123 of the California Business and Professions Code states: It is a misdemeanor for any person to engage in any conduct which subverts or attempts to subvert any licensing examination or the administration of an examination, including, but not limited to:

- Conduct which violates the security of the examination materials;
- Removing from the examination room any examination materials without authorization;
- The unauthorized reproduction by any means of any portion of the actual licensing examination;
- Aiding by any means the unauthorized reproduction of any portion of the licensing examination;
- Paying or using professional or paid examination-takers for the purpose of reconstructing any portion of the licensing examination;
- Obtaining examination questions or other examination material, except by specific authorization either before, during, or after an examination; or
- Selling, distributing, buying, receiving, or having unauthorized possession of any portion of a future, current, or previously administered licensing examination.
- Communicating with any other examinee during the administration of a licensing examination.
- Copying answers from another examinee or permitting one's answers to be copied by another examinee.
- Having in one's possession during the administration of the licensing examination any books, equipment, notes, written or printed materials, or data of any kind, other than the examination materials distributed, or otherwise authorized to be in one's possession during the examination.
- Impersonating any examinee or having an impersonator take the licensing examination on one's behalf.

Nothing in this section shall preclude prosecution under authority provided for in any other provision of law. In addition to any other penalties, a person found guilty of violating this section, shall be liable for the actual damages sustained by the agency administering the examination not to exceed ten thousand dollars (\$10,000) and the costs of litigation.

What to Bring

All candidates are required to bring identification that is deemed acceptable to the test center on the day of examination.

Acceptable Forms of Identification

You must present **two forms of current signature identification**. The primary identification must be government-issued and photo-bearing with a signature, and the secondary identification must contain a valid signature. Identification must be in English and exactly match the name used to register for the exam.

If the first and last names on the exam authorization do not exactly match the first and last names on the IDs presented, you will not be allowed to test, and the exam fees will be forfeited. A middle name is not required and will not be referenced for exam admission.

Primary ID (including photograph and signature, not expired)

- Government-issued driver's license
- U.S. Department of State driver's license
- U.S. learner's permit (plastic card only, with photo and signature)
- National/state/country identification card
- Passport
- Passport card
- Military ID
- Military ID for spouses and dependents
- Alien Registration Card (Green Card, Permanent Resident Visa)

Secondary ID (signature, not expired)

- U.S. Social Security card
- Debit (ATM) card or credit card
- Any form of ID on the primary list

If the ID presented has an embedded signature that is difficult or impossible to read or is not visible (microchip), you must present another form of identification from the ID list that contains a visible signature.

Pearson does not recognize grace periods. For example, if your driver's license expired yesterday, and the state allows a 30-day grace period for renewing the ID, the ID is considered to be expired and will not be accepted for testing. Newly renewed licenses which result in a temporary paper license will be accepted as long as the expired plastic license is also provided.

If you are not allowed entrance to your scheduled exam due to incorrect identification, it will be reflected as a no show result, and your examination fee will be forfeited. See **No Show Results** for more information.

Exam Procedures

You should report to the test center 30 minutes before the exam and check in with the test center administrator.

Your identification and other documentation will be reviewed, and you will be photographed for the score report. You are required to review and sign the Non-Disclosure Candidate Agreement (NDA). You will have five minutes to review and accept the NDA. If you do not accept the NDA within five minutes, it is considered a refusal, and you will not be allowed to participate in the exam. A refusal also results in the forfeiture of your exam fee, and you will need to submit a reexamination application with the applicable exam fee to proceed with your exam.

If the NDA is not followed and/or cheating or tampering with the examination is suspected, it will be reported as such, and the appropriate action will be taken. The exam fee will not be refunded, the exam may be determined invalid, and/or the state may take further action, such as prohibiting you from retaking the exam and/or denying a license.

You will have an opportunity to take a tutorial on the computer on which the exam will be administered. The time spent on this tutorial will not reduce the examination time. The test administrators will answer questions, but you should be aware that administrators are not familiar with the content of the exams or with the state's licensing requirements. Test administrators have been instructed not to advise candidates on the requirements for licensure.

You may begin the exam once you are familiar with the computer. The examination begins as soon as you look at the first exam question. The examination will end automatically after the examination time has expired, and you will leave the test center with your official scores in hand.

Palm Vein Recognition Technology

You will be required to have your palm scanned using palm vein recognition technology. Pearson's company-owned sites are equipped with advanced palm vein recognition technology, which captures and recognizes the unique patterns in a candidate's palm veins using non-intrusive, near-infrared scanning technology.

New candidates are enrolled in the biometric system during your first test center admission, and your identity is automatically verified when you take and return from breaks, as well as when you test in the future at any biometrically equipped location worldwide. Palm vein recognition is secure, privacy-friendly, fast, highly accurate, and virtually impossible to forge and has replaced digital fingerprinting to become the standard biometric technology for candidate identification.

Wanding/Scanning Procedures

Additional security screening steps are required at Pearson Professional Centers.

Pearson Testing Policies

The following policies are observed at each test center. **Candidates who violate any of these policies will not be permitted to finish the examination and will be dismissed from the test center, forfeiting the exam fee.**

- **Calculators are not permitted.**
- **No personal items are allowed in the testing room.** Personal items include but are not limited to: cellular phones, hand-held computers or other electronic devices, pagers, watches, wallets, purses, firearms or other weapons, hats, bags, coats, books and/or notes, pens, and pencils. Additional security screening steps are required at Pearson Professional Centers.
- Candidates must store all personal items in a secure area as indicated by the administrator or return items to their vehicle. All electronic devices must be turned off before storing them in a locker. **The test center is not responsible for lost, stolen, or misplaced personal items.**
- Studying is not allowed in the test center. Visitors, children, family, or friends are not allowed in the test center.
- Dictionaries, books, papers (including scratch paper), and reference materials are not permitted in the exam room (unless permitted by the exam sponsor), and candidates are strongly urged not to bring such materials to the test center. Upon entering and being seated in the testing room, the test administrator will provide the candidate with erasable notebooks to make notes or calculations and any other items specified by the exam sponsor. **The candidate may not write on these items before the exam begins or remove these items from the testing room.**
- Eating, drinking, chewing gum, smoking, and/or making noise that creates a disturbance for other candidates is prohibited during the exam.
- Break policies are established by the exam sponsor. Most sponsors allow unscheduled breaks. To request an unscheduled break, the candidate must raise their hand to get the administrator's attention. **The exam clock will not stop while the candidate is taking a break.**
- Candidates must leave the testing room for all breaks. However, **candidates are not permitted to leave the floor or building for any reason during this time, unless specified by the administrator and the exam sponsor.** If a candidate is discovered to have left the floor or building, they will not be permitted to proceed with the examination and may forfeit the exam fees.
- While taking a break, candidates are permitted to access personal items that are being stored during the exam only if necessary — for example, personal medication that must be taken at a specific time. However, **a candidate must receive permission from the administrator prior to accessing personal items that have been stored.** Candidates are not allowed to access other items, including but not limited to cellular phones, exam notes, and study guides, unless the exam sponsor specifically permits this.
- Any candidate discovered causing a disturbance of any kind or engaging in any kind of misconduct — giving or receiving help; using notes, books, or other aids; taking part in an act of impersonation; or removing exam materials or notes from the testing room — will be summarily dismissed from the examination and will be reported to the state licensing agency. Decisions regarding disciplinary measures are the responsibility of the state licensing agency.

Examination Security

Pearson maintains examination administration and examination security standards designed to ensure that all candidates are given the same opportunity to demonstrate their abilities and to prevent any candidates from gaining an unfair advantage because of testing irregularities or misconduct. Pearson routinely reviews irregularities and exam scores believed to have been earned under unusual or non-standard circumstances.

Pearson maintains the right to question any exam score whose validity is in doubt because the score may have been obtained unfairly. Pearson first undertakes a confidential review of the circumstances contributing to the questions about score validity, and if there is sufficient cause to question the score, Pearson will refer the matter to the state licensing board, which makes the final decision on whether or not to cancel the score.

For security reasons, exam materials are not available to candidates for review.

Copyrighted Examination Questions

All examination questions, each form of the examination, and any other examination materials are copyrighted and are the property of Pearson and/or the state licensing board. Consequently, any distribution of the examination content or materials through any form of reproduction or oral or written communication is strictly prohibited and punishable by law.

Score Reporting

When you complete the examination, you will receive a score report marked “pass” or “fail” before leaving the test center.

If you failed the exam, you will receive a score report that includes a numeric score and diagnostic information for the exam as well information about reexamination. If you passed the exam, you will not receive a numeric score or diagnostic information on your score report.

For LMFT Clinical and LEP examination candidates who receive a passing score, the form for your initial license is available on the BBS website (www.bbs.ca.gov).

Examination Results

There are multiple versions of each of the licensing examinations. These versions are known as forms.

Although all forms of an examination are developed based on the content outlines, the difficulty of the forms of an examination may vary slightly because different questions appear on each form. To ensure that no candidate is put at an unfair advantage or disadvantage due to the particular form of an examination that he or she is given, a statistical procedure known as equating is used to correct for differences in form difficulty.

At the end of your exam, you will receive a printed score report. Numerical (raw) scores are provided to candidates who failed the exam but are not provided to candidates who passed.

Duplicate Score Reports

You may log in to your Pearson account to obtain a duplicate score report.

Retake Requirements

If you fail your exam, you are eligible to submit a request to retake the exam. The reexamination application is available online at www.breeze.ca.gov and can be submitted at any time; however, there is a waiting period between exam attempts before your application can be approved.

Examination	Waiting Period
LCSW Law and Ethics Examination	90 days
LPCC Law and Ethics Examination	90 days
LMFT Law and Ethics Examination	90 days
LMFT Clinical Examination	90 days
LEP Examination	120 days
